Señores  
**SUPERINTENDENCIA DE VALORES**  
Ant. Sr(a) Director(a)  
La ciudad

**Referencia: Observaciones al proyecto de evaluación de la licitación 01 de 2003**

Respetado(a) Señor(a) Director(a).

**OBSERVACIONES AL PROYECTO DE EVALUACION DE LA LICITACION 01 DE 2003 EN LO REFERENTE AL RECHAZO DE LA PROPUESTA PRESENTADA POR VENTAS Y SISTEMAS LTDA.**

Con todo comedimiento y atención, acudo a este honorable despacho a fin de poner en su conocimiento los siguientes aspectos:

1. Con ocasión de la vigencia del Decreto 2170 de 2002, el cual fue expedido por el gobierno nacional para combatir la corrupción, la contratación pública ha tenido un viraje total, en cuanto a la exigencia de ciertos documentos que antes eran necesarios y que ahora, previo el cumplimiento de ciertos aspectos técnicos y de mercado, ya no lo son y por lo tanto la entidad tiene el recurso de solicitarlos de acuerdo con los siguientes postulados.
2. Este despacho rechazó la propuesta presentada por la sociedad VENTAS Y SISTEMAS LTDA., porque, no presentamos los certificados de registro de los precios unitarios de referencia.
3. En cuanto a este aspecto, el decreto referido en el parágrafo del artículo 4, señala: "En desarrollo de lo previsto en el inciso segundo (2<sup>do.</sup>) del numeral quince (15) del artículo 25 de la Ley 80 de 1993, ***los documentos y requisitos allí relacionados podrán ser solicitados por las entidades en cualquier momento, hasta la adjudicación.***" (Negrilla e cursiva son mías)

4. A su turno, el inciso segundo (2<sup>do.</sup>), numeral 15 del artículo 25 de la Ley 80 de 1993, reza: "La ausencia de requisitos *o la falta de documentos referentes a la futura contratación o al proponente, no necesarios para la comparación de propuestas, no servirá de título suficiente para el rechazo de los ofrecimientos hechos.*" (Negrilla, cursiva y subrayado fuera de texto)
5. El numeral dos (2) del artículo 4 del Decreto 2170 de 2002, dice: "*La oferta más favorable será aquella que, teniendo en cuenta los factores técnicos y económicos de escogencia y la ponderación matemática precisa y detallada de los mismos*, contenida en los pliegos de condiciones o términos de referencia, *resulte ser la más ventajosa para la entidad*, sin que la favorabilidad la constituyan factores diferentes a los contenidos en dichos documentos y *siempre que la misma resulte coherente con la consulta de precios o condiciones mercado, de conformidad con lo establecido en el artículo 6 del presente decreto.*" (Negrilla y cursiva fuera de texto)
6. A su turno, el artículo 6 dice: "De la consulta de precios o condiciones del mercado. La consulta de precios o condiciones del mercado en los procesos de selección, se surtirá a través del Registro Único de Precios de Referencia (RUPR-SICE) a que se refiere la Ley 598 de 2000 para el caso de los bienes o servicios registrados. ..."
7. La consulta del RUPR-SICE, es un medio idóneo para establecer los PRECIOS o CONDICIONES del mercado en procesos de selección, pero de ninguna manera es un instrumento válido para el RECHAZO de las ofertas en los procesos de contratación administrativa. El hecho de que por cualquier razón no se hubieran anexado los certificados a los documentos que acompañan la oferta, no facilita a la administración para RECHAZAR la oferta, así esté escrito en el pliego de condiciones, por cuanto, tal condición estaría violando las normas que rigen la contratación administrativa, en cuanto a los aspectos objetivos de contratación y lo que las normas han denominado "OFERTA MÁS FAVORABLE".
8. Una cosa es *no haber acompañado* el RUPR-SICE y otra muy diferente es *no tenerlo*, la primera hipótesis faculta al oferente y le da los beneficios consagrados en el parágrafo del artículo 4 del Decreto 2170 de 2002, en armonía con el inciso segundo (2<sup>do.</sup>) del numeral 15 del artículo 25 de la Ley 80 de 1993, esto es, que ustedes como entidad contratante pueden solicitarlo en cualquier momento hasta

## Ventas & Sistemas Ltda.

la adjudicación, lo cual no afectaría el estudio de nuestra oferta y la segunda hipótesis, afectaría los términos de contratación, así el oferente tenga la "OFERTA MÁS FAVORABLE", por cuanto, la norma exige el registro del contratista.

9. El numeral primero (1<sup>ro</sup>) del artículo 25 de la Ley 80 de 1993, es enfático en afirmar que para la escogencia de contratistas, se cumplirán y establecerán los procedimientos y etapas estrictamente necesarios para asegurar la SELECCIÓN OBJETIVA de la PROPUESTA MÁS FAVORABLE y el hecho de que ustedes impongan como requisito de RECHAZO de la oferta un documento cuya finalidad es como ya se anotó " la consulta de precios o condiciones del mercado", se debe basar única y exclusivamente en la **OMISIÓN** de dicho registro (no tenerlo) y no en la falta de acompañamiento físico del documento requerido, porque, como ya lo afirmamos en el numeral inmediatamente anterior, estarían violando el principio de economía consagrado en el artículo 25, numeral 15, inciso 2, en armonía con el artículo 4 del Decreto 2170 de 2002 en su párrafo, en virtud de que las normas referidas, permiten anexar el documento hasta la adjudicación.
10. Los anteriores argumentos tienen respaldo no solamente en la doctrina, sino en jurisprudencia reciente del honorable Consejo de Estado, en donde se ha permitido a los contratistas acompañar los documentos previstos en las normas citadas, teniendo siempre en cuenta el criterio de SELECCIÓN OBJETIVA DE LA PROPUESTA MÁS FAVORABLE, contenido en el artículo 25 *ibidem* y en los preceptos del artículo 4 del Decreto 2170 de 2002.

## PETICIÓN

Por lo expresado anteriormente, me permito solicitar los registros citados en el numeral 2.1.8. del capítulo II del pliego de condiciones titulado CERTIFICADO CONTRALORÍA GENERAL DE LA REPÚBLICA, para que ustedes se sirvan revocar íntegramente el acto mediante el cual se produjo el RECHAZO de la oferta presentada por la sociedad VENTAS Y SISTEMAS LTDA. y como consecuencia de ello, deberán tener en cuenta la citada OFERTA, para los efectos legales de contratación contenidos en la Licitación Pública 01 de 2003.

Ventas & Sistemas Ltda.

**OBSERVACIONES AL PROYECTO DE EVALUACION DE LA LICITACION 01 DE 2003 EN LO REFERENTE A PROPUESTA PRESENTADA POR LA UNION TEMPORAL REDCOMPUTO LTDA Y SISTETRONICS LTDA.**

**Observaciones de orden Jurídico**

1. Si bien es cierto la oferta de Ventas y Sistemas Ltda. Fue rechazada jurídicamente por no anexar el registro de precios (SICE/RUPR) solicitamos a su despacho revisar de forma objetiva y justa para todas las partes el Artículo 47 de la resolución 5313 de la ley No 598 de 2000 (julio 18) que dice:  
(...en el cual se hace constar que el proveedor inscribió los precios de sus bienes y servicios y se indicara el precio registrado. Los usuarios lo podrán imprimir en medio físico, con el fin de aportarlo al proceso o procesos contractuales en los que desee participar.

**Parágrafo.** Las ofertas presentadas por los consorcios y uniones temporales, deberán adjuntar, los certificados de registro de los consorciados o integrantes de la unión temporal que hayan realizado el registro de precios.

La oferta de la Unión Temporal solo presenta los registros de precios (SICE/RUPR) de uno de sus integrantes (Redcomputo Ltda.) por lo tanto estaría incumpliendo la norma, por lo tanto esta oferta NO es HABIL JURIDICAMENTE.

**Observaciones de orden Técnico.**

En cuanto a lo mínimo solicitado en los pliegos de condiciones en le ítem 1 (equipos de computo se solicita que:

**"1.3.1.2.5 Monitor a color que trabaje con resoluciones entre 640 x 480 y 1024 x 768 o superior y al menos 17".**

La oferta de la U.T. Presenta en el anexo No 2 (dos), folio No 107 la siguiente repuesta. "**resolución de 1024\*768 0.28 DP**" y no cumple con la resolución del monitor de 640\*480 solicitada en los pliegos como requerimiento mínimo, y de acuerdo con el numeral

Ventas & Sistemas Ltda.

## 2.2.6 ANEXO DE PREGUNTAS Y RESPUESTAS

Los ofertantes responderán el anexo de preguntas y respuestas que se encuentra en el Anexo 2., adjuntando toda la documentación que considere de interés. La no entrega, no diligenciamiento o diligenciamiento parcial del Anexo 2 a este pliego, dará lugar al **RECHAZO** de la propuesta por parte de la entidad.

En cuanto a lo mínimo solicitado en los pliegos de condiciones en le ítem 3 (equipos portátiles se solicita que:

### 1.3.3.2.17 Peso no superior a 3.3 kg.

La oferta de la U.T. Presenta en el anexo No 2 (dos) Folio 132 la siguiente respuesta "Peso 3.2 kg" este ofrecimiento carece de validez ya que los modelos de portátiles con pantallas de 15" TFT poseen en peso de 7.69 lb (3.49 Kg) tal como se anota en los catálogos anexos (pagina 11 del catalogo anexo). Por lo tanto esta oferta no cumple con lo mínimo requerido por la entidad.

Con lo anteriormente expuesto la oferta de la unión temporal NO cumple técnicamente.

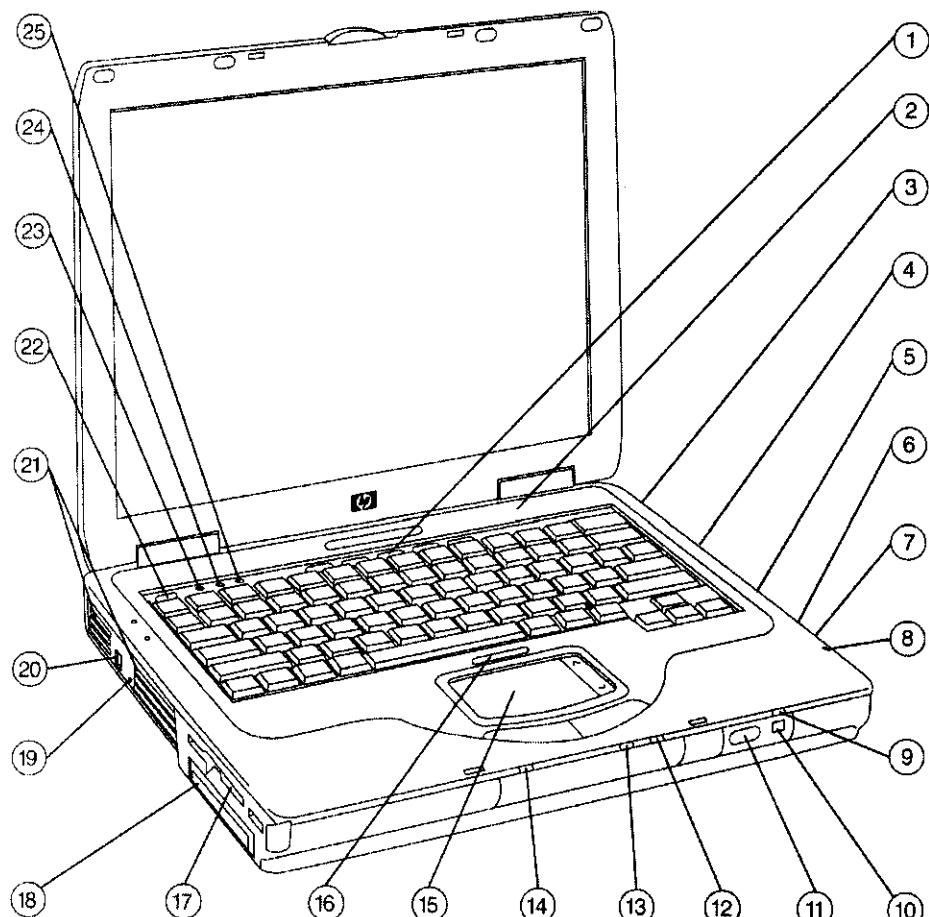

Sin otro particular
