Dear Mr. Daes:

Previously, Staff notified the Company that it no longer met the periodic filing requirement for The Nasdaq Stock Market under Listing Rule 5250(c)(1).<sup>1</sup> The Company was given until June 17, 2016 to submit a plan of compliance. However, on May 31, 2016, the Company filed the Form 10-K, and as a result, is no longer non-compliant with this filing. Staff notes that since we have not received the Form 10-Q, the Company remains non-compliant and is still required to submit a plan of compliance on or before June 17, 2016.

If you have any questions, please contact Darryl Bass, Listing Analyst, at +1 301 978 8062.

Sincerely,

---

<sup>1</sup> Form 10-K for the period ended December 31, 2015 (the “Form 10-K”) and Form 10-Q for the period ended March 31, 2016 (the “Form 10-Q”).
